

JEB DUNNUCK 92-94**2018 Chateau Juvenal Vin De France Perseides**

Based on 100% Grenache brought up in tank, the 2018 Vin De France Perseides is another winner from this gem of an estate in the Ventoux. Strawberries, blackberries, flowers, and spice all dominate the bouquet, and it's pure, silky, and polished on the palate. In short, it's a pure, Provençal Grenache that delivers the good. I'd be happy to have a few bottles.

This Ventoux based estate continues to produce a bevy of charming, fruit forward, impeccably made reds and whites. Some of the reds just about max out the value scale.
