<p><i>Unoaked 80% Clairette, 20% Viognier (40 year-old vines). Co-operation between Sebastien Alban who used to deliver fruit to the Beaufort-de-Venise co-op and his new neighbours the Forestiers. Philippe Cambie consults.</i></p> <p>Attractive blend of honeysuckle and quite a bit of bitterness on the end. Impressive persistence. Much fresher and more vital than many southern Rhône whites. Clairette helps, I suspect.</p>
